

ASEAN High-Quality Distribution Box

Overview

Common Standards for Distribution Boxes in the ASEAN Region Distribution boxes are the unsung heroes of electricity networks. They divide power flows, prote.

Key Takeaways

Asean Box Corporation (India) and Box-Pak (Malaysia) are leading high-quality distribution box manufacturers in the ASEAN region. Asean Box Corporation (India)

Asean Box Corporation, located in Gandhidham, Gujarat, India, is a prominent manufacturer of corrugated boxes and paper packaging solutions . The company has over four decades of experience and operates ISO 9001:2015 certified facilities. Its production includes regular slotted cartons (RSC), die-cut boxes, trays, and custom packaging solutions. The plant spans 200,000 sq. ft., with a production capacity of 5,000 MT per month and storage for 4,000 MT of raw materials . Its strategic proximity to Kandla and Mundra ports facilitates efficient import of high-quality paper and export of finished goods . Asean Box emphasizes supply chain-aware packaging design to ensure product protection and brand reliability.

Box-Pak (Malaysia)

Box-Pak (Malaysia) Bhd, established in 1974, is a leading corrugated carton and die-cut tray manufacturer in the ASEAN region . The company operates plants in Malaysia (Selangor and Johor), Vietnam (Hanoi and Ho Chi Minh), and Myanmar, with a total plant capacity of 175,000 MT and a workforce of 1,400 employees. Box-Pak produces a wide range of packaging, including regular slotted cartons, trays, wraparounds, and custom designs. The company serves major FMCG, food and beverage, electronics, industrial, and edible oil clients, and is a subsidiary of Kian Joo Can Factory Berhad . Its facilities feature high-speed, fully automated corrugating machines from Japan and the USA, ensuring modern, high-quality production standards.

Key Advantages

- **High Production Capacity:** Both companies operate large-scale facilities capable of meeting bulk orders.
- **Quality Certifications:** ISO 9001:2015 certification and adherence to international standards ensure consistent quality.
- **Strategic Locations:** Proximity to major ports in India and Malaysia enables efficient logistics and export capabilities.
- **Diverse Product Range:** From standard shipping boxes to custom-designed packaging, both companies cater to various industries.
- **Supply Chain Optimization:** Packaging is designed considering transport, handling, and storage to maintain product integrity . These companies are recognized as leaders in the ASEAN packaging industry, offering reliable, high-quality distribution boxes suitable for both domestic and international markets.
