

Ethiopia-based fiber optic cable manufacturer

Overview

BMET Cables is a leading manufacturer of high-quality electrical, telecom, and fiber optic cables in Ethiopia.

Key Takeaways

BMET Energy Telecom Industry and Trade PLC and AEDHS.com are leading fiber optic cable suppliers in Ethiopia. Key Suppliers

BMET Energy Telecom Industry and Trade PLC BMET is one of the largest cable manufacturers in Ethiopia, producing a full range of electrical, telecom, and fiber optic cables. Their facilities use modern manufacturing technologies to ensure high-quality, reliable cables suitable for telecom, data centers, and industrial applications. BMET offers both single-mode and multi-mode fiber optic cables and supports large-scale projects with high-capacity production lines . AEDHS.com AEDHS.com supplies fiber optic products across Ethiopia, including Addis Ababa, Dire Dawa, Mekelle, Gondar, Adama, Bahir Dar, Awasa, Jimma, Dessie, and Hawassa. They provide major international brands such as Advanced Fiber Solutions, FLUKE, Fluke Networks, Keysight, Molex, and VIAVI. AEDHS.com offers door-to-door delivery, spare parts, repair, and maintenance services, making them a convenient option for resellers, dealers, and end-users . Other Local Suppliers Several other Ethiopian businesses provide fiber optic cables and networking solutions. These include companies listed on East Africa Tenders, which offer services like importing network equipment, manufacturing fiber and UTP patch cords, and providing professional installation services . Online marketplaces like Jiji.com.et also list fiber optic cables and networking products for sale, ranging from patch cords to media converters and splitters, catering to smaller-scale or individual purchases .

Considerations When Choosing a Supplier

- **Cable Type:** Decide between single-mode or multi-mode fibers based on distance and data rate requirements.
- **Quality and Standards:** Ensure cables meet industry standards and have passed proper testing.
- **Delivery and Support:** Check if the supplier provides reliable delivery and technical support.
- **Future Upgrades:** Consider suppliers offering higher-capacity cables to accommodate future network expansion.
- **Installation Services:** Professional installation ensures correct termination and splicing, improving network performance. For inquiries, BMET can be contacted through their official website, and AEDHS.com can be reached via email at enquiry@aedhs.com or WhatsApp at +971 55 630 52 17 . These suppliers provide both high-quality products and comprehensive services suitable for Ethiopia's growing fiber optic infrastructure.
