

Haiti New Type Cable Tray Manufacturer

Overview

Cable Trays In Haiti, Cable Trays Manufacturers Suppliers Exporters We, the renowned Electrical Cable Trays Manufacturer and Supplier in Haiti, use premium.

Key Takeaways

Key cable tray manufacturers in Haiti include Jeetmull Jaichandlall (P) Ltd., Brilltech Engineers Pvt. Ltd., and Cable House, offering a wide range of high-quality cable trays for industrial, commercial, and residential applications. Leading Manufacturers

1. Jeetmull Jaichandlall (P) Ltd. This company specializes in manufacturing cable trays with various sizes, shapes, and colors, tailored to industry-specific requirements. Their facility uses modern equipment and advanced technology to ensure high-quality production. They focus on durability, impact resistance, and compliance with industry standards, making their cable trays suitable for multiple applications including ventilation systems, enclosures, and partitions . 2. Brilltech Engineers Pvt. Ltd. Brilltech offers electrical cable trays, ladder trays, perforated trays, PVC trays, and stainless steel trays. Their products are designed to protect cables from physical damage, dust, and environmental hazards while improving airflow and cooling. They provide customized solutions, installation support, and system design assistance, ensuring compliance with safety and regulatory standards . 3. Cable House Established in 1983, Cable House manufactures a wide range of cable trays along with related products like hose clamps, cable ties, and industrial connectors. They emphasize durability, reliability, and long operating life, using graded raw materials and modern manufacturing technology. Cable House also offers customized solutions and exports their products globally .

Product Features and Benefits

- Material Options: Galvanized steel, stainless steel, fiberglass, PVC
- Types: Ladder, perforated, raceway, and custom designs
- Advantages: Enhanced cable organization, improved airflow, protection from environmental hazards, and long-term durability
- Applications: Industrial plants, commercial buildings, residential projects, and specialized installations These manufacturers provide both domestic and export services, ensuring that clients in Haiti and abroad can access high-quality cable tray solutions tailored to their project needs. For inquiries, contacting the companies directly via their websites or customer service is recommended to discuss specifications, pricing, and delivery options.
