- Offers high-quality cable trays in various sizes, shapes, and colors.
- Focuses on durability, impact resistance, and compliance with industry standards.
- Provides tailored solutions for different sectors and maintains on-site manufacturing with modern equipment .
- Brilltech Engineers Pvt. Ltd.
- Supplies galvanized steel, stainless steel, fiberglass, and perforated cable trays.
- Emphasizes cable protection, airflow, and easy installation.
- Offers design support, system planning, and after-sales service for industrial and commercial projects .
- Cable House
- Established in 1983, recognized for durable and reliable cable trays.

- Manufactures a comprehensive range of trays using advanced technology and graded raw materials.
- Provides global export services and customized solutions for various industries .

Product Types and Features

- Ladder Cable Trays: Ideal for heavy-duty applications and large cable loads.
- Perforated Cable Trays: Promote airflow to prevent overheating and ensure optimal cable performance.
- PVC and Mild Steel Trays: Suitable for corrosion resistance and cost-effective installations.
- Stainless Steel Trays: High durability for harsh environments.
- Raceways and Accessories: Include connectors, clamps, and supports for complete cable management systems .

Benefits of Using Cable Trays

- Organize and protect electrical cables from physical damage and environmental hazards.
- Enhance safety and reduce fire or electrical risks.
- Facilitate easy maintenance, installation, and future expansion.
- Optimize space and improve airflow for cooling of electrical systems .

How to Contact Suppliers

- Most suppliers provide direct inquiry options via their websites.
- Brilltech Engineers can be contacted at +91-9818292266 for Israel-specific orders .
- Cable House and Jeetmull Jaichandlall offer email and online inquiry forms for customized solutions . These suppliers are well-established in Israel and internationally, offering both standard and customized cable tray solutions to meet diverse project requirements.
