

Jamaican Box-Type Distribution Box Manufacturer

Overview

AMG Packaging & Paper Co Ltd manufactures and distributes boxes for industrial and commercial packing purposes.

Key Takeaways

Key manufacturers of box-type distribution boxes in Jamaica include Sterling Packaging, AMG Manufacturing, Jamaica Packaging Industries, and The Packaging District. Sterling Packaging

Located in Kingston, Sterling Packaging manufactures and distributes corrugated cardboard boxes, paper bags, and chipboard partitions. They offer both stock and customized box designs, making them suitable for distribution and storage of products, including fragile items packaged in glass containers .

AMG Manufacturing

AMG Manufacturing specializes in die-cut corrugated cardboard boxes, which are highly customizable to fit any shape or size. They focus on eco-friendly, cost-effective packaging solutions for manufacturers, distributors, and retailers, and provide reliable service with competitive pricing .

Jamaica Packaging Industries (JPI)

JPI, a family-owned company established in 1953, produces corrugated boxes for various uses, including bulk liquids, beverages, produce, poultry, and baked goods. They offer Just-In-Time delivery, flexible order sizes, and in-house product development for custom designs and digital printing, making them ideal for distribution needs .

The Packaging District

Based in Kingston, The Packaging District provides premium packaging solutions with express or same-day delivery. They focus on innovative and creative box designs and offer convenient payment and shipping options, including local courier services .

Summary

For businesses in Jamaica seeking box-type distribution boxes, these manufacturers provide a range of options from standard corrugated boxes to fully customized solutions with fast delivery and additional services like digital printing and eco-friendly materials. Depending on your specific needs—such as size, material, or delivery speed—you can contact these companies directly to request quotes and design consultations.
