

Jordan Long-Span Cable Tray Quotation

Overview

Munir Al Ali & Sons Company | Home Installation of cable trays and all kind of the cable management systems. Supply and Install low voltage & medium voltage.

Key Takeaways

You can request long-span cable tray quotations in Jordan from leading suppliers like Brilltech Engineers, MASEICO, and Eaton, offering ladder, perforated, and solid trays with full installation support. Supplier Options in Jordan

1. Brilltech Engineers Pvt. Ltd. Brilltech provides high-quality cable trays in Jordan, including perforated, ladder, and solid types. Their trays are made from galvanized steel, stainless steel, and fiberglass, ensuring durability and compliance with industry standards. They offer support for system design, installation guidance, and maintenance, making them suitable for long-span industrial applications. Their products enhance cable organization, airflow, and safety while optimizing space efficiency . 2. MASEICO (Al Masoudia Electrical Industries Co. Ltd.) MASEICO manufactures cable trays, ladders, and supporting materials according to international standards. They serve industrial, petrochemical, power, and oil & gas projects in Jordan and the Middle East. Their engineering team provides site-specific solutions to minimize field installation challenges, ensuring long-span tray stability and compliance with safety regulations . 3. Eaton Cable Tray RFQ Eaton offers a Request for Quotation (RFQ) form that allows you to submit project details for cable trays, including long-span requirements, directly online. Eaton's system supports Jordan and provides access to customized solutions, fittings, supports, and accessories for industrial installations . 4. Other Suppliers Additional suppliers in Jordan include CableTrayUAE, which provides a range of cable trays from ladders to trunkings, and XMQJ, which offers guidance on selecting tray types, span, and support methods for long runs .

Steps to Obtain a Quotation

- Define Project Requirements: Specify tray type (ladder, perforated, solid), material, span length, load capacity, and environmental conditions.
- Contact Suppliers: Reach out to Brilltech, MASEICO, or Eaton via their websites or local offices. Provide detailed project specifications.
- Request RFQ: Use Eaton's online RFQ form or supplier-specific quotation forms to receive pricing and delivery timelines.
- Compare Offers: Evaluate quotations based on material quality, compliance with standards, installation support, and cost.
- Confirm Installation Support: Ensure the supplier provides guidance for supports, fittings, and long-span stability. By following these steps, you can secure a reliable quotation for long-span cable trays in Jordan tailored to your project's technical and environmental requirements .
