

Price of Soundproof Network Cabinets

Overview

10 Best Soundproof Network Cabinets to Keep Your Space Quiet and. Uncover the top 10 soundproof network cabinets that promise to keep your workspace quiet.

Key Takeaways

Soundproof network cabinets typically range from \$400 to over \$1,500 depending on size, brand, and features. Typical Price Ranges

- Small cabinets (12U-15U): These are suitable for home offices or small businesses and generally cost \$400-\$700. For example, the Sysracks 15U Soundproof Server Cabinet offers up to 36% noise reduction and includes cooling fans and cable management, priced competitively for small setups .
- Medium cabinets (18U-24U): Designed for larger office environments or small data centers, these cabinets usually range from \$700-\$1,200. The Sysracks 18U model, with heavy-duty steel construction and integrated cooling, falls into this category .
- High-end or specialized cabinets: Premium soundproof cabinets, such as APC NetShelter CX or Excel ACR acoustic cabinets, can exceed \$1,500, offering advanced acoustic insulation, portability, and plug-and-play features for professional IT environments .

Factors Affecting Price

- Size and Capacity: Larger cabinets with more rack units (U) cost more due to additional materials and space.

- **Noise Reduction:** Cabinets with higher decibel reduction or advanced acoustic materials are more expensive. RackyRax cabinets, for instance, provide up to 18.5dB noise reduction and include integrated ventilation and PDUs .
- **Cooling and Ventilation:** Cabinets with built-in fans, thermostats, or airflow management systems increase cost.
- **Security Features:** Lockable doors, reinforced steel, and secure enclosures add to the price.
- **Brand and Build Quality:** Well-known brands like Sysracks, APC, and Excel typically charge a premium for reliability and warranty coverage.

Buying Options

- **Retailers and e-commerce platforms:** Newegg and RackyRax offer a variety of models with shipping options .
- **Online marketplaces:** eBay provides used or discounted soundproof network cabinets, sometimes at lower prices than retail, starting around \$300-\$400 for smaller units . In summary, expect to pay \$400-\$700 for small home-office cabinets, \$700-\$1,200 for medium office setups, and \$1,500+ for high-end professional models, with price influenced by size, noise reduction, cooling, and security features.
