Key Takeaways

Galvanized cable trays in Ireland typically range from €15 to €60 per meter, depending on type, size, and duty rating. Pricing Overview

The cost of galvanized cable trays varies based on tray width, depth, and duty rating:

- Medium-duty trays (commonly used in commercial and industrial installations) generally cost €15–€35 per meter. For example, Wesco offers EZ-FIT medium-duty galvanized trays with easy interlocking assembly and express delivery options in Ireland .
- Heavy-duty or larger trays designed for high-capacity cable runs can range from €40–€60 per meter, depending on the manufacturer and specifications .
- Accessories such as couplers, bends, and supports are sold separately and typically add €5–€15 per piece to the overall installation cost .

Suppliers in Ireland

Several reputable suppliers provide galvanized cable trays with online ordering and delivery:

- Electrical Wholesaler Ireland: Offers a wide selection of durable cable trays for domestic and industrial use with competitive pricing and fast delivery .
 - Wesco Electrical LTD: Specializes in EZ-FIT medium-duty galvanized trays with locking screws and serrated nuts, eliminating the need for couplers .
 - RS Components Ireland: Provides cable management solutions including wire trays and baskets, suitable for various installation needs .
 - Dwyers Electrical: Offers online purchase and in-store collection, often with a lowest-price guarantee .
- Considerations
- Prices may vary depending on quantity purchased, delivery location, and specific tray dimensions.
 - For large projects, contacting suppliers directly can yield bulk discounts or custom sizing options.
 - Ensure the tray meets local electrical standards and is suitable for the intended load and environment. By comparing suppliers and specifications, you can select galvanized cable trays that balance cost, durability, and installation efficiency for your project in Ireland .
