### Overview

Cable Tray is a made from versatile material that offers numerous benefits across a wide range of applications.

### Key Takeaways

Jeetmull Jaichandlall (P) Ltd. and Brilltech Engineers Pvt. Ltd. are among the top manufacturers of wire mesh cable trays in Armenia. Jeetmull Jaichandlall (P) Ltd.

Jeetmull Jaichandlall (P) Ltd. is recognized for producing high-quality wire mesh cable trays with excellent finishing and adherence to industry standards . Their trays are available in various sizes, shapes, and colors, making them adaptable for multiple sectors including construction, agriculture, mining, and automotive . The company emphasizes durability, impact resistance, and ventilation, ensuring that their trays can withstand heavy loads and prevent heat buildup. They also offer customized solutions tailored to specific industry requirements, supported by modern manufacturing facilities and expert supervision .

Brilltech Engineers Pvt. Ltd.

Brilltech Engineers Pvt. Ltd. provides durable and high-quality cable trays designed to protect electrical systems from physical damage, dust, and environmental hazards . Their products are made from premium materials such as galvanized steel, stainless steel, and fiberglass, ensuring long-lasting performance . Brilltech trays are designed for easy installation, improved airflow, and space optimization, making them suitable for both small and large projects . The company also offers technical support, including product selection, system design, and installation guidance .

### Choosing the Right Manufacturer

When selecting a wire mesh cable tray manufacturer in Armenia, consider the following factors:

- **Material quality:** Ensure the trays are made from durable metals like stainless steel or galvanized steel.
- **Customization options:** Ability to provide trays in different sizes, shapes, and configurations.
- **Compliance with standards:** Adherence to industry safety and quality standards.
- **Technical support:** Availability of guidance for installation and system design.
- **Local availability:** Proximity to Armenia for faster delivery and support. Both Jeetmull Jaichandlall (P) Ltd. and Brilltech Engineers Pvt. Ltd. are highly regarded for their quality, reliability, and customer service, making them excellent choices for wire mesh cable trays in Armenia .
