

Wholesale of composite optical fiber cables

Overview

L-com offers bulk fiber optic cable including single mode, multimode, 10 & 100 Gigabit, Hi Flex, breakout style and distribution style.

Key Takeaways

Composite optical fiber cables are available wholesale from multiple suppliers offering singlemode and multimode options, indoor/outdoor ratings, and customizable bulk orders. Key Wholesale Suppliers

- American Tech Supply Offers a wide range of indoor/outdoor composite fiber optic cables, including singlemode (OS2) and multimode (OM1-OM5) options. Cables are available in various fiber counts (2, 6, 12) and diameters, with plenum and non-plenum ratings. Bulk pricing is available upon request, and they provide both standard and high-performance Power+™ FO cables suitable for long-distance and high-speed data transmission .
- CableWholesale Specializes in bulk fiber optic cables for internet and networking applications. They provide singlemode duplex and multimode fiber cables (50/125 μm or 62.5/125 μm), along with connectors, converters, and accessories. Bulk discounts are offered, making it cost-effective for resellers or large-scale deployments .

- HOC (Hone Cable) Supplies customizable bulk fiber optic cables in tight-buffered and loose-tube designs. They offer armored, burial, aerial, and hybrid fiber cables, with OM1-OM4 and OS2 options. HOC supports low minimum order quantities (e.g., 2 km) and provides turnkey solutions including related fiber optic products and accessories .
- Fiber-Market Provides OEM and wholesale services for fiber optic products, including singlemode and multimode cables, transceivers, and instruments. They offer global shipping, competitive pricing, and custom solutions tailored to specific project requirements, making them suitable for resellers and businesses upgrading network infrastructure .
- Other Notable Suppliers
- Cables Plus USA: Offers bulk fiber cables, high-density solutions, and a wide range of fiber optic accessories .
- OmniCable: Maintains over 200 SKUs of fiber optic cables, including custom cutting and kitting services .
- Warehouse Cables: Provides OM1-OM4 and OS2 bulk fiber cables with custom assembly options .
- Pulse Supply: Distributes Lexington Ames fiber optic cables for indoor, outdoor, and outside plant applications, including gel-free and self-supporting designs .

Considerations for Wholesale Purchase

- Fiber Type: Singlemode (OS2) for long-distance, multimode (OM1-OM5) for shorter distances.
- Cable Design: Indoor, outdoor, plenum, armored, or aerial depending on installation environment.
- Customization: Many suppliers offer custom fiber counts, jacket materials, and lengths.
- Bulk Discounts: Pricing is typically negotiable for large orders; some suppliers provide free shipping over a certain threshold.
- Compliance: Ensure cables meet standards like RoHS, UL, or Telcordia GR-20 for quality assurance.

Summary

For businesses or resellers seeking wholesale composite optical fiber cables, multiple suppliers provide extensive options for singlemode and multimode cables, indoor/outdoor applications, and customizable bulk orders. Choosing a supplier depends on required fiber type, installation environment, and desired customization, with many offering competitive pricing and global shipping .
