Overview

Electrical Boxes WholeSale Shop our wide selection of electrical boxes at wholesale prices. Choose from a variety of sizes and types for all your electricals.

Key Takeaways

Wholesale 12-pin junction boxes typically range from \$1 to \$20 per piece depending on material, IP rating, and order quantity. Price Overview

- Phoenix USA lists a 12-pole junction box at \$19.44 per piece .
- Global Sources offers factory-direct 12-pin junction boxes starting around \$1.00 to \$6.00 per piece, with MOQs ranging from 1 to 1,000 pieces depending on the supplier .
- Alibaba features M12 junction boxes (6–12 ports) with prices from \$5 to \$20 per piece, often with MOQs of 1–20 pieces .
- Instacart shows imported 12-pin boxes priced at \$3.19 to \$5.99 each, though these may be retail rather than industrial wholesale .

Factors Affecting Price

- Material: Plastic or ABS boxes are cheaper, while metal or stainless steel enclosures cost more.
- IP Rating: Waterproof or dustproof boxes (IP65–IP67) are priced higher due to enhanced protection.
- Quantity: Bulk orders reduce per-unit cost; MOQs vary by supplier.

- Features: Smart junction boxes with diagnostics or thermal regulation are more expensive.

Supplier Recommendations

- Alibaba and Global Sources are ideal for international bulk orders with low MOQs and factory pricing .
- Phoenix USA and Nema Supply provide domestic options with ready-to-ship inventory and industrial-grade quality .
- For smaller quantities or local delivery, Instacart and Amazon may be convenient but at slightly higher per-unit costs . When sourcing 12-pin junction boxes, consider the environmental requirements, IP rating, and material to ensure compatibility with your application, whether for industrial automation, outdoor installations, or manufacturing systems.
