

Zimbabwe Electrical Distribution Box Installation Manufacturer

Overview

Zesa Installation Guide - Free download as PDF File (.pdf), Text File (.txt) or read online for free.

Key Takeaways

Key manufacturers of electrical distribution boxes in Zimbabwe include Cypriano Electrical, Sitho Electrical Boxes, Josm Electrical Pvt Ltd, and Uniscott Electrical Contractors. Cypriano Electrical

Cypriano Electrical (Pvt) Ltd specializes in the manufacture of electrical distribution boards and light fittings, alongside electrical installations, maintenance, and motor rewinding. The company has been operating for nearly two decades and serves both domestic and industrial clients, offering reliable electrical equipment and installation services in Zimbabwe .

Sitho Electrical Boxes

Sitho Electrical Boxes, based in Harare, manufactures and supplies both domestic and industrial electrical distribution boxes. They provide a range of standard and customized solutions for residential, commercial, and industrial applications, ensuring compliance with local electrical standards .

Josm Electrical Pvt Ltd

Josm Electrical Pvt Ltd focuses on the design and manufacture of electrical distribution boards, including customized solutions for industrial, commercial, and agricultural sectors. They also provide repair and maintenance services for electrical equipment, programming of VSDs and PLCs, and design of Star Delta starters, ensuring long-term reliability and tailored electrical solutions .

Uniscott Electrical Contractors

Uniscott Electrical Contractors Private Limited is a Zimbabwean company specializing in high-voltage and low-voltage electrical products, including distribution boards. They offer comprehensive electrical engineering services, construction and maintenance of substations, power transmission lines, and distribution lines up to 132KV. Uniscott also provides technical support, protective gear, and tools for safe electrical operations, making them a full-service provider for both industrial and commercial clients .

Summary

For electrical distribution box installation and procurement in Zimbabwe, these companies provide a range of options:

- Cypriano Electrical: Domestic and industrial boards, installation, and maintenance.
- Sitho Electrical Boxes: Standard and customized distribution boxes in Harare.
- Josm Electrical Pvt Ltd: Tailored industrial and commercial solutions with additional electrical services.
- Uniscott Electrical Contractors: High-voltage and low-voltage distribution boards with engineering and maintenance support. These manufacturers are well-established and capable of meeting diverse electrical distribution needs across Zimbabwe.
